**Ground Rules:** Parents of hosting schools will be given the opportunity to submit questions in advance regarding D205 issues only. Moderators will then review proposed questions, from which they will then choose the questions to be asked during the forum. Candidates will be provided some hot topic issues in advance to prepare answers, and candidates will be asked to respond to some questions not provided in advance. Candidates will have equal time to speak, although possibly not in regard to all the same questions. This is NOT a debate, just a forum to disseminate viewpoints and stances, as well as to hear from the candidates.

ALL PTA Presidents in D205 will have Zoom meeting information and may invite all parents to view this forum.

Our PTAs are nonprofit organizations and neutral brokers with the best interest of the community in mind. This BOE Candidate forum is a vital opportunity to increase the D205 constituents' understanding of issues affecting this community.

The PTA's mission is to make every child's potential a reality by engaging and empowering families and communities to advocate for all children.
